

Purple Extreme Highlighted in What Mountain Bike October 2006

BEST DRIVETRAIN LUBRICATOR PURPLE EXTREME LUBE £10

www.evanscycles.com

Everyone has an opinion on what lube's best, but Purple Extreme seems to mesh smoothly with our combination of high mileage and infrequent application. We'll have to see how it compares with our benchmark White Lightning Wet Ride when things get properly filthy though.

Tested: WMB44
